

Monday 7th February 2011

Dear Motorsport Enthusiasts,

We regret to advise you that the 2011 Valvoline Corowa Autofest has been postponed until further notice.

Heavy rain and poor weather conditions are forecast to take place during the weekend of this year's Valvoline Corowa Autofest which was scheduled for 26th and 27th February.

The forecast conditions would inhibit entrant and spectator comfort and safety, which is of vital importance to us.

We sincerely apologise for any inconvenience this may cause you and thank you for your continued support of Valvoline Corowa Autofest.

All preparations have been made for the February Valvoline Corowa Autofest and we are now busy postponing these arrangements and considering an alternative date with relevant stakeholders.

We look forward to announcing a new event date as early as possible and will ensure that appropriate notice is given so that all necessary accommodation and travel bookings can be made with minimum fuss.

All paid entrant and site fees will be refunded in full.

The Valvoline Autofest team looks forward to continuing to work with the Corowa Shire, Corowa Tourism, Corowa business houses, accommodation houses, local sporting clubs and many others that have all been part in bringing this popular event to the wonderful township of Corowa.

Sincerely,

Di Adams
For and on Behalf of
Valvoline Corowa Autofest
